Vinification	Slow fermentations with temperature control, Long and soft post fermentation extraction, skin contact, Malo-lactic fermentation in vats and barrels.
Ageing	12 months, 35% new barrels

Tasting Notes **Millésime 2008**

Yields of around 30 hectolitres per hectare have resulted in a very opulent wine. This is bespoke production, with harvests placed on small trays and painstaking work conducted in the winery to achieve this virile yet suave blend offering the contained power so typical of the estate. The aromas are both fruity and spicy and the tannins refined, indicating a very fine bottle.

Commercialization

Annual production : ± 120,000 bottles

France, Germany, Switzerland, UK, Belgium, The Netherlands, USA, Canada, Japan, Hong Kong,
